To Chairman Abney & members of the committee,

I believe you should strongly support Rep. Lombardi's bill H 5802 because predatory payday lenders need to be cracked down on. While I believe the practice should be shut down completely state-wide, this bill does go a long way towards curbing some of the industry's most egregious actions. Most importantly, this will give a hand to the already vulnerable low-income, often black and brown or foreign-born Rhode Islanders payday lenders prey on the most.

Thank You,
